**CONSENT & AUTHORIZATION FOR TREATMENT & NOTICE OF PRIVACY PRACTICES ACKNOWLEDGEMENT**

I consent to services, treatment and diagnostic procedures, including but not limited to medications, lab tests and other studies, which may be ordered by my physician, and consultants as selected by my physician. I acknowledge full responsibility for the payment of such services and agree to pay my bills in accordance with the payment method and schedule as documented in the patient contract, unless other arrangements are made with the medical practice.

If applicable, where I am treated for a workers' compensation injury or illness, Dr. Trombley will seek payment from the responsible payer, which is typically the employer or the employer's workers' compensation insurance carrier in accordance with State or Federal workers' compensation laws.

This office will not be doing drug testing or medical surveillance for drug compliance.

If I do not make payments as arranged for the concierge fees by the date due, I will not be able to see the physician nor receive medication refills, follow-up labs, etc. until all payment is current.

I have been informed that this provider will keep my information confidential within the guidelines of HIPPA. My signature acknowledges that I have been given the right to ask questions and receive information about the services and I voluntarily sign this consent. I have been informed that I have the right to request an opportunity to review my chart, ask questions about my medical treatment and obtain copies at a reasonable fee. This authorization will remain valid for a period of one year unless I revoke it in writing. A photocopy of a faxed copy of this authorization shall be deemed as valid as the original. I understand that, under the Health Insurance Portability & Accountability Act of 1996 (HIPPA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to conduct, plan and direct my treatment and follow-up among the multiple healthcare providers who may be involved in that treatment directly and indirectly.
